

Feli's
mallorca

Peeling

*When peeling with Feli's mallorca,
protection and make up are first removed,
the skin is freed from dead skin cells and impurities.*

*The skin can absorb active ingredients so much better.
Jojoba oil neutralizes free radicals
against oily skin and against acne.*

Feli'S mallorca

Special ingredients

*Coconut
Oil silica
Sea salt
Bergamot*

*Coconut oil or silica
gently cleanse and make the skin appear even.*

*Sea salt
effectively cleanses and nourishes the skin.*

*Pearl powder
plumps the skin and gives it a healthy shine.*

*Bergamot
is calming and anti-inflammatory.*

The scent of the Feli'S mallorca peeling is made up of essential oils of chamomile, cinnamon, hyacinth, nutmeg or patchouli, violets, lemons and oranges.
